A MESSAGE FROM GREG

Dear Members,
I hope everyone had a great thanksgiving and is now into the holiday spirit. The club is booked solid with Christmas parties throughout the month. One of the biggest holiday events is going to be our Winter Wonderland Member Holiday Party on Wednesday, December 16th at 7:00pm. Chef Will is preparing a variety of delicious hors d’oeuvres which are sure to please. Joey Mandese and his band Late Night Delivery will also be performing at our Winter Wonderland holiday party.

Also, don’t forget Santa Claus will be arriving from the North Pole on Sunday, December 6th to give out gifts and take pictures in his Sleigh at Brunch with Santa. There will also be gingerbread house decorating and Christmas movies playing in the background, for plenty of entertainment for the little ones.

Finally, we held our first employee golf tournament on November 30th. I am so pleased to have seen so many of our employees participate in this event. Special thanks to Ed for putting this together for our staff.

In order for our wonderful employees the opportunity to enjoy time with their families, please note the following Holiday Hours:

Christmas Eve – Office closed, Golf, Tennis and golf open until 2:00pm, no regular dinner service
Christmas Day – Club Closed all day
New Year’s Eve – Office closed, Golf, Tennis and golf open until 2:00pm, no regular dinner service
New Year’s Day – Club Closed all day

Merry Christmas everyone and I hope to see you at the club,
Greg Klemp

FOOD & BEVERAGE NEWS

Dear Members,

As I am sure you have noticed, we have had a large turnover in the restaurant’s wait staff. Most of our long time employees have graduated, relocated or moved on from the Country Club. The new staff however is a great bunch. They are very polite and personable. We will start to introduce them to our situational training program in order to prepare them to provide you with exceptional service. I am certain you will grow to have the same relationships shared with our former wait staff. Don’t forget to book your holiday parties with our event planner Jessica Gustine. The event planning book is quickly filling up, but there is still time.

Sincerely,
Aaron Atkinson
Food and Beverage Director
CHEF WILL’S BILL OF FARE

Dear Members,

We had a great Thanksgiving at the Club, I hope everyone enjoyed their meal! Our Dueling Chef’s challenge has been a fun competition between our staff. Ronnie, our Sous Chef are tied at one win a piece. We will have our final duel on December the 3rd and 4th. The challenge will be modified for December – every member of the kitchen staff will be able to use one protein, of my choice, in order to make their dish. Votes will then be counted from the number of orders from our restaurant visitors.

Thank you for the continuing support, and any questions, comments, suggestions, or concerns can be directed to my personal email: williamvcipolla@gmail.com

I hope everyone has a safe and blessed holiday season.

Sincerely,
Chef Will

---

Dr. Long will be discussing her book, America's Forgotten Student Population - Creating a Path to College Success for GED Completers, at the Gainesville Country Club on December 4, 2015 at 10:30am.

All are invited to join the GCC Book Club for this informative discussion.

Dr. Angela Long serves as an independent researcher, educator, and consultant on nontraditional student retention issues in higher education. She helped found the Pathway Scholars Program at Santa Fe College in Gainesville, Florida. The program was the first of its kind aimed at increasing the persistence and retention rates of students with GEDs at the postsecondary level. Angela is the author of Five Factors theory for increasing nontraditional student retention and speaks nationally on this topic. Dr. Long holds a Doctorate of Education Degree in Community College Leadership from Oregon State University, a Master’s of Education in School Counseling and Consultation from Northwest Christian University, and a Bachelor of Arts in Elementary Education from Northwest Christian University. She was the first to publish a national document entitled, “Community College Attrition of GED Certificate Holders and a Regular High School Graduates: A Competitive Study Using National BPS Data” that sought to compare national attrition rates of all students at the community college level.

"I'm pleased to see the release of Dr. Long's important book on “America’s Forgotten Student Population,” as broadening educational opportunities have become an important component to our future. The research and observations presented within regarding these opportunities – and the role mentoring plays – can only benefit generations to come."

- Dr. Nathan Whitaker, co-author of the New York Times bestsellers, “The Mentor Leader,” “Quiet Strength,” and “Through My Eyes"

December Newsletter

The month of December is usually a great time for us to be able to accomplish projects such as drainage, irrigation repair, tee construction, tree trimming and many others. Once we gain the funds and resources, we will be able to accomplish these projects. We are going into winter having only fertilized the fairways and rough one time this year. Also, the greens have only accumulated one pallet of a true full fertilizer. The possibility of an extremely cold winter along with these nutrient deficiencies could cause us to loose turf and provide more space for weeds to germinate. The lack of fertility could cause already thin areas to thin out even further.

We will continue to trim trees and root prune throughout the winter. We have a good start on the palm trees and will continue to trim the ones we can reach with our equipment. At some point, we need to rent a boom lift in order to reach the taller trees that our equipment cannot reach. Due to erosion caused by the lack of turf some of the larger and more populated tree areas, soil has accumulated in some drainage ditches and lakes. We are continuing our efforts to clean out this accumulation of soil.

We have tried to over-seed the par 3 tees, driving range tees and the front circle, unfortunately to no avail. The seed is a couple of years old and none has germinated. Once we are able to purchase more seed, we will. In the meantime, we will try to keep the tees divot mixed and moist in the hopes that they will heal quickly.

Lastly, I want to remind everyone that the golf course is closed on Mondays. This is in order for us to provide our members with a better and safer product. Monday is when pesticides are applied. We do not want to apply them while play is going on, as some of the products we use can be harmful to the greens if they are tracked onto the surface by players. We have had a growing amount of people coming out on Mondays. This is disruptive to the crew’s flow of accomplishing certain maintenance practices, even when people say we can work around them.

I hope everyone has a great holiday season,
Jason Ward, CGCS

TENNIS TALK

Happy Holidays Everyone,

The weather is cooling down and there is no better time to get out and play some tennis. We had an awesome Black Friday Clinic and play day to work off some Thanksgiving turkey and treats. Thank you to the ladies for giving up all those great deals to hit the courts with me!

November was a fantastic month for our 3.0 and 3.5 day league teams. The 3.5 team scored a big win over Haile with 3 set wins on courts 2, 4 and 5. Not to be outdone, our 3.0’s defeated the second ranked team in the league led by a win on court one by Kathy Menendez and Debbie Metler over a previously undefeated team. Great job teams!

Mark your calendars for the first and third Fridays of each month and join us for fun social tennis and refreshments. The theme for the event on the 18th is Wear Your Ugly Christmas Sweater, so be sure to be there.

I look forward to seeing everyone out on the courts.

Jacob
