

Alpharetta Athletic Club Membership Ambassador Program

Sharing the Experience

The long-term success of Alpharetta Athletic Club relies on the ability of the Club to attract and retain like-minded members who share a common understanding of what a private club and golf experience should be; thus, the reason behind the formation of the Membership Ambassador Program.

The purpose of the program is to actively engage the existing membership to assist new members with joining golf and tennis groups, attending social events and meeting other members as well as be involved in prospective member visits to the Club, as well.

Recently, an invitation was posted to Clubster seeking persons interested in participating in such a program. The response was fantastic and as a result, a number of individuals have stepped forward to volunteer their time to help in the continued development of the Membership Ambassador Program, at the membership level. The expectation is for these Membership Ambassadors to become effective advocates of AAC working together to genuinely make prospective and new members feel a warm welcome when visiting the Club.

AAC Membership Ambassadors

On behalf of the entire AAC staff, I want to personally thank each person for volunteering their time to participate in the initial rollout of the program. This is a varied and diverse group of members that will be able to not only answer questions about membership but share information pertaining to shopping, schools, restaurants, health care, cultural events, etc...

Membership Ambassadors:

Mike Kincaid	Ken Rice	Wayne Post
Ted Speller	Bruce Herrick	Mike & Deb Kozel
Brian Anderson	Pail Stephens	Evan & Melissa Cohen
Steve Lake	Norb Feltrop	Carter & Cary Schlenke
Jan Jacobus	Leigh Turner	Hap & Nancy Ehringer
Gary Ross	Ted Shields	Bob & Trudy Schlamp

Welcome Tom Joyce

Dear Membership,

We are pleased to introduce Mr. Tom Joyce as our new Director of Player Development at AAC. Tom was born in Tennessee, raised in south Florida and has been a resident of Atlanta for the last 10 years. He has a Bachelor of Science in Hospitality Administration from Florida State University. Tom is married with two children, a boy and a girl.

After years in the hotel and restaurant business, Tom followed his passion for sports and moved into the golf business as a professional caddie. In 2006 he decided to take another step forward in the industry and became a Level 3 Certified Instructor with the United States Golf Teachers Federation. While at Atlanta

National Golf Club for 6 years as the First Assistant Golf Professional, he became a PGA Class A member, US Kids Golf Certified Instructor and a Starting New At Golf (SNAG) certified Instructor. He used those skills to develop and manage year round successful multi-level junior and ladies programs. In 2014 he started and successfully led an after school golf program through his own company, Spectrum Golf Entertainment.

Tom is available to assist anyone that would like help with their golf game from beginners to tournament players. He will initially focus on establishing ladies and junior programs to help grow the LGA and regular junior participation. For the ladies, there will be Starting New At Golf Classes for the new golfer, Get Golf Ready classes for ones that need a fundamental refresher, Get Golf Ready 2 classes that will focus on improving your course play and Clinics for the Experienced players. The juniors will have after school programs, summer programs, play days, spring and summer camps, parent/junior events and an opportunity to play in the PGA Jr League.

For more information and interest please contact Tom at tom.joyce@alpharettaac.com or 770-475-2300 ext.112

Members of AAC

I hope everyone is enjoying 2015. While the weather has been uncooperative at times, we have enjoyed several spring-like days with a full golf course and good playing conditions. Our Club, LGA and MGA event schedules have been finalized and are available on the website and throughout the club. We look forward to another successful year full of fun events for all ages, genders and skill levels.

We are also proud to introduce the opening of our Nike Performance Fitting Center at AAC. We are one of four facilities selected by Nike throughout the U.S. The Nike Performance Center will be located at the East Course Teaching Facility and will give us the tools to fit any and all players, regardless of skill level. With interchangeable driver and iron heads (fairway and hybrids coming soon) and numerous shaft options, we are able to zero in on any player's swing. We're constantly adding new components as they become available so feel free to come by or schedule a time for a fitting.

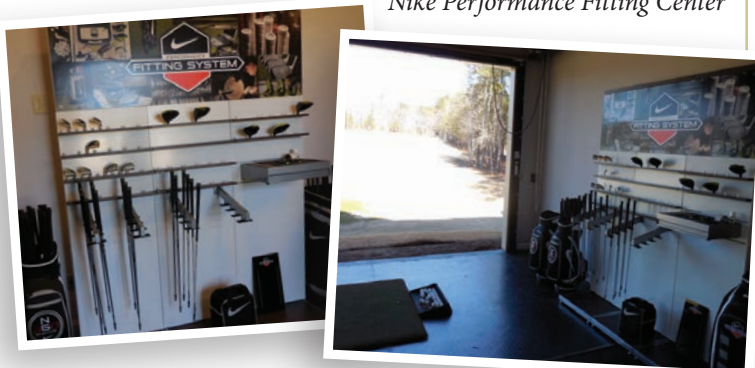

With the new technology now available the days of buying clubs straight off the rack are over. Ensuring the irons or driver you buy are fit to your specs and swing will lead to longer, more accurate shots and lower scores. We have a launch monitor that can give us great fitting data such as launch angle, spin and ball speed; all of which, when optimized, lead to longer, straighter shots. We will also be installing a loft and lie bending machine which will allow us to do club adjustments on site.

Spring merchandise is arriving almost daily so come gear up for the season. If we don't have a particular item you're looking for, we have catalogs available and can special order almost anything. Mill River Pricing (Cost plus 10%) does apply to special orders and most vendors. So before you go elsewhere for that golf bag, pair of shoes or set of irons, come by your Golf Shop and take advantage of our product knowledge and the best pricing around.

Thank you for your continued support,

Blake Atchley, East Course Head Golf Professional

Here's a sneak peek at the Nike Performance Fitting Center

FootGolf

Alpharetta Athletic Club is pleased to announce the addition of a brand new amenity to our already wide array of offerings...FootGolf! This new sport is highly recommended by the PGA as an excellent way to introduce new athletes to the game of golf.

What is FootGolf? FootGolf combines the popular sports of soccer and golf and is played using a soccer ball on a traditional golf course using 21-inch diameter cups. The rules largely correspond to the rules of golf. Like traditional golf, FootGolf is a precision sport with a goal of getting a soccer ball into a cup in as few shots as possible. The game is played with a regulation No.5 soccer ball on golf holes roughly half the distance of a traditional golf hole.

Scheduled to open spring of 2015, AAC invites the membership to try the next generation of golf. FootGolf uses golf's basic model including tee boxes, greens, bunkers, hazards, and 18 holes of play. Scorecards display par scores for each hole as in traditional golf. Unlike traditional golf, FootGolf is quicker to play, accessible to a wider range of players, and does not require expensive equipment to play. If you can kick a soccer ball, you can play FootGolf. It's a sport for everyone!

AAC's FootGolf Course will be installed on the original nine holes of the West Course. It takes less than an hour to play 9 holes of FootGolf and, like traditional golf, FootGolf is also an excellent source of exercise with the potential to burn up to 2,000 calories per round meeting most physician's daily fitness recommendations. Our new FootGolf Course will be cross utilized for both FootGolf and for beginner golf programs designed to introduce new players to the game of golf.

We encourage all our members to set up an introductory education and practice session prior to scheduling their first FootGolf tee time by contacting Chris Wright, Director of Golf, at chris.wright@alpharettaac.com or call (770) 475-2300 ext. 108.

Rules of Golf Series

Wednesdays, March 4 & 11 • East Course

"If you're going to play this game, you gotta know the Rules."
– Roger Maltbie

Please join us for a two part series on the Rules of Golf, at the East Course, on March 4th & 11th at 6pm. This informative series will touch on every aspect of the game and give you the tools and knowledge you need to comfortably and confidently navigate your way through any situation you may come across on the golf course.

- **Day 1** will be covering The Game of Golf, Etiquette, Definitions, & Rules 1-17.
- **Day 2** will be covering The Golf Course, Relief Situations, & Rules 18-28.

GOLF

Hosts & Presenters

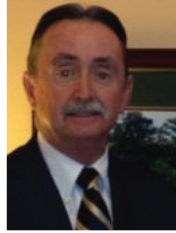

Wayne Post, AAC Member and Rules Official for the Georgia PGA and member of the Board of Directors for Georgia State Golf Association.

Justin Martin, Assistant Golf Professional – East Course

Please confirm your attendance by signing up through Clubster, or by emailing Justin at justin.martin@alpharettac.com or Blake at blake.atchley@alpharettac.com

Ask the Rules Guy

Have a question on the Rules of Golf? Hi, my name is Wayne Post and I have been asked by AAC to assist all golfers, whatever their level of ability, to enjoy the game of golf more, improve your scores, as well as preserve the integrity of the game by learning, understanding and applying the Rules of Golf.

Focusing on our course, I will examine hole by hole, detailing relief situations, local rules and potential rulings each month. I would like to hear from you, our members, on situations, concerns, and rules questions that you have encountered playing our courses. Please email me at the RulesGuy@Alpharettac.com and I will answer in a timely manner.

Low Scores and good Golfing!

Wayne Post

AAC Ladies 9-Hole League 2015 Kick-off Luncheon

Thursday, March 5 • West Course

All AAC women are invited to our Ladies 9-hole Kick-off Luncheon. Last year, in the program's first year, we had over 36 different women join the 9-holers for at least one round of golf. This year we plan to have Wednesday Clinics, Thursday Play Days, and multiple Exchange Days with ladies from other area clubs. Please join us for lunch on March 5th, to get more information and answer any questions you may have regarding the program.

To Sign up or for more detailed information contact Michael Lane at mike.lane@alpharettac.com

Georgia/South Carolina Cup

East Course

AAC will be the host of the 2015 Georgia – South Carolina Cup on March 20th and 21st. The GA-SC Cup features top high school golf teams from each state competing over the 2 days. Friday tournament play will go off in a 2:30 p.m. shotgun start. Saturday play will begin with an 8 a.m. shotgun start.

Member play at the East Course will be limited to a morning shotgun on Friday the 21st and an afternoon shotgun on Saturday the 22nd. We have several of our very own junior golfers that will be representing their school and the Georgia Team in this event. We would encourage our membership to come out and support the players and see some high quality golf as well.
