

## Congratulations to AAC's very own...

11 year-old Jake Peacock for winning the boys 10-11 year old division in the Drive, Chip and Putt National Championship at Augusta National on Sunday, April 5, 2015.

## Dear Members of AAC,

It won't be long until we're battling that famous Atlanta summertime heat! The West Course is really beginning to take shape so now is a great time to get out and play some golf. If golf isn't your thing, have you ever tried FootGolf? Honestly, I was a huge skeptic at first, but after having played a few times I must say it's a lot of fun. So grab the whole family or a group of friends and come try it out!

Here are a couple of reminders about the West Course. Unlike most private clubs, we allow guest play on Saturday mornings. Feel free to bring your guests to the West on Saturday mornings. Our average round at the West is under 4 hours. Lastly, even if everyone else in town is "cart path only" there's a good chance we are not, as I've never seen a course drain quicker in this area than the West.

April begins our Couples 9 n' Dine series. Be on the lookout for this fun event as we host at least one per month. Also, we have a couple of "majors" coming up in June. The AAC Senior Club Championship will be held on June 6th and 7th, with the 1st round at the West, and the Final round at the East Course. Finally, the West Course Club Championship will be held the last weekend in June, the 26th through the 28th. As usual, the championship flight will play 54 holes, while all other flights will play 36 holes.

Hope to see you at the West Course soon, for golf or FootGolf, and maybe even at the pool!

Michael Lane  
West Course Head Golf Professional

## Greetings from the East Course Golf Shop!

Hopefully this letter finds everyone nice and dry. While we have had a bit of a wet start to the golf season, we're forging ahead with a full slate of events. Both the LGA and MGA are in full swing and our weekly Tuesday night dogfights have begun as well. If you would like information about any of our upcoming events, please visit the club calendar on the website or give us a call in the Golf Shop. Summer junior camps are right around the corner as well so check out the club website or come by the Golf Shop for more information.

Our Nike Performance Fitting Center is up and running and has been a great addition to the Club. We offer iron and driver fittings, as well as gap fittings with fairway woods and hybrids. We've also acquired a Ping iron fitting cart to go along with our Mizuno cart and if you combine those offerings with our TaylorMade and Titleist demos, we can pretty much fit anything. We even have U.S. Kids fitting tools so bring the kids by, and we'll get them set up for summer.

Last, but certainly not least, HUGE congrats to Jake Peacock for his victory at the Drive, Chip, and Putt Finals at Augusta National Golf Club! Jake won the 10-11 boys division with solid play in all three phases. We're proud to have Jake and his family at our club and wish him all the best in his golfing future!
