Welcome to the 2016 golf season! It’s finally warming up, but not before we endured another cold, snowy and windy May. The greens sustained some damage over the winter and we have already repaired 3,000sq feet of our 3 acres of green surfaces and have ordered additional sod to repair the balance of the winter kill. Now that the weather is warming, we hope to see a rapid improvement in conditions.

I’d like to ask for your assistance in a very important matter that has been escalating. Several individuals have chosen to disregard rules set in place to keep the Club a place that can be enjoyed by all of its Members. This includes golfers not checking in prior to play, not following cart traffic rules, and Members bringing alcohol on the course and into the pool area. The Flagstaff Ranch liquor license encompasses the entire Golf Course, Clubhouse and Community Center grounds and bringing alcohol onto the property is a violation of State Law and threatens the Club’s liquor license.

We also continue to see Members ignore the traffic laws inside our gates, use ATV’s, Side-By-Sides and Dirt Bikes to joy ride through the Community and allow under-aged children to operate motor vehicles. Out of necessity, we will be asking the Safety Officers to make use of the radar gun and issue citations for traffic violations.

Another problem is that some Members are allowing their children free access to run through the Clubhouse and Community Center unsupervised. If you are bringing your children or grandchildren to the Club, they must remain seated with you at all times. Children are not allowed to sit at the bar. Children are not allowed in the Locker Rooms unless accompanied by an adult.

We have created a Sanctions Committee to address violations and ask all Members to be extremely mindful of following the rules.

We have a great season planned, with lots of activities for all. Be sure to check the Calendar so that you don’t miss any of the fun.

Hope to see you at the Club!

John V. Ott

As many of you know, May got off to a slow start. The first two weekends of the season we had snow accumulation, then we had to deal with about 10 straight days of weather advisory wind gusts. But now it looks like Mother Nature is going to bless us with some great summer weather!

June at Flagstaff Ranch is jam packed with great events for everyone starting with our first Junior Golf Camp. The weeks following we have the Lumberjill and Lumberjack Member-Guest Tournament, the PGA Southwest Section Pro-Am, another Skins Game and Couples Mixer, a PGA Junior League Match, and the North Rim matches.

The golf shop has received many new merchandise deliveries the last two weeks of May and coming in June you will see our new Flagstaff Ranch private label line from Full Turn Direct! We also have a new assortment of demo clubs including Titleist, Taylor Made, and Callaway for you to try on the golf course. One of my personal favorite equipment accessories are the new Winston Collection leather head covers!

Fore Tee’s is in full swing and many members are taking advantage of booking their starting times and event sign ups. A common question we have had in the golf shop about using Fore Tee’s is in regards to booking tee times with your guests. For example, if you are making a tee time for you and an “Accompanied” guest you need to select that “Guest Type” from the box on the right side of the screen. Once you have selected the appropriate guest, just type in their name and click submit. If you get a booking error notification/restriction that probably means you are trying to make a tee time outside of your membership rules or guest allotment rules. In regards to event sign up, please help the golf shop staff out by pre-registering for any golf event that you wish to participate. This will ensure that we are able to have the event set up and ready to begin at the correct starting time. Lastly, I want to address a dating error with the final Men’s North Rim Match at Pine Canyon. The new events booklet is incorrect as the date should be Tuesday, September 27, at 10am hosted by Pine Canyon.

Summer is almost here and let us know if there is anything that we can do for you!

FORMATION OF THE HANDICAP COMMITTEE

Flagstaff Ranch is excited to announce the formation of our Handicap Committee. This committee’s primary responsibility is oversight of our members and their compliance with the USGA Rules of Golf and the Handicap System-Score Posting Policy the Club recently adopted. Information on the score system posting policy can be found in the new Golf Events Program Overview.

The USGA Handicap System states that in order to be fair to all members, players are required to:

- Post every non-practice score played in accordance with USGA rules;
- Be played with at least one other golfer that maintains a USGA index;
- And that there is opportunity for a ‘Peer Review’. This Peer Review is also available to all members through the Fore Tee’s website under Handicaps, then View Handicaps and Scores.

This means that whenever you play golf at Flagstaff Ranch or other courses, you must post a score that is in compliance with the USGA Rules, unless you state prior to the round that it will be a ‘Practice Round’. Otherwise, you will have to post a score for the following types of rounds:

- Anytime that you play an 18-hole round of golf that is played in accordance with the USGA rules of golf and with other golfers at any regular golf course;
- Anytime you have played at least 14 holes. Note: the unfinished holes are scored using the Equitable Stroke Control method authorized by the USGA;
- Anytime you play a non-practice 9-hole round of golf. Note: Your next 9-hold round will be added to the previous 9-hole round that you posted;
- Anytime you play a tournament round of golf at any regular golf course.

The Club’s new online tee time system, Fore Tees, is now operative, and it is valuable tool for you. For example, the Fore Tees system will record every round that you play and whether you have posted that score. This information is available to your peers and to the Handicap Committee.

The Handicap Committee will be regularly reviewing the ‘Score Posting Reports’ and sending out friendly reminders when members fail to post a score. And if you forget to post too often, the Handicap committee has the authority to enter a penalty score for you. We have adopted the ‘Par Penalty Score’ policy which means that members that regularly fail to post scores will have a score of par posted from the tee box they most frequently play from.

The 2016 Handicap Committee will serve as a sub-committee of the Golf Committee and will be led by Gene Dorsch (chairman), Wendy Patterson, Phil Giese and Dave Einum and is searching for one more volunteer at this time. If you have any questions, we encourage you to read the USGA publications regarding the handicap system, or please feel free to contact the golf shop.
