We created this form for the convenience of those who prefer to mail or hand in their registration with a check. Handwritten information is sometimes difficult to read correctly, especially with Email addresses so this is designed to be filled in on your computer and then printed for submission. We use your Email address to send you your receipt and our E-Newsletters. So help us get it right. If you do handwrite the information, we'll do our best to get everything spelled correctly. Thank you for supporting our Marine Toys for Tots Charity Golf Event.
